

Position: Engineering Technician

Department: Engineering

Reports To: Director of Engineering

Company Overview

Founded in 1984, Aqua-Hot Heating Systems, Inc. is one of the most recognized and trusted brand in the recreational vehicle (RV) industry. We offer premium products that provide RV owners with exceptional comfort while saving fuel, reducing emissions, and adding real value. Aqua-Hot supplies more than 40 original equipment manufacturers in North America, China and Europe.

Aqua-Hot's Work Ready products provide auxiliary heat for busses, medium and heavy duty trucks, and over-the-road trucks. These products run on the vehicle's fuel, diesel, natural gas, or propane, getting vehicles ready to go and keeping workers warm while reducing emissions and complying with anti-idling laws.

Aqua-Hot provides great solutions than make our customers' products better.
